

**Product: 65844 A19 Dimmable LED 9W MCOB E27 UL 120V**

Dimmable and A19 style, the led light will last a longtime. Greater than 80 CRI. Available in white 6000K and Warm White 3000K. E27 Base, screws easily into lamp socket. Long life greater than 30, 000 hours. Uses only 9 Watts of power, compares to a 60 Watt light bulb.

*See Details Page for Warranty Information.*

Lens Type	PC Plastic
Body Type	A19
Work Environment	Indoor
Efficacy	90-100Lm/W
Lumen Maintenance	30% Decay @ 30,000 hrs.
LED Life	Up to 30,000 hrs.
Operating Humidity	
Operating Temp	100°F@70°F Room Temp
Operating Environment	-4°F~104°F

Lamp Type	Light Bulb
Lamp Base	E27
Unit Watts	9
Operating Voltage	185-265VAC
Frequency	50Hz/60Hz
IP Class	
Ventilation	Air
Size	4.33" x 2.36"
Dimmable	YES
