Part Description	G4 6 SMT 3Chips LED 12VAC																											
Lamp Type	Widely used in ships, advertisement																											
Lamp Base	G4																											
Unit Wattage	0.65watt@12VAC																											
Voltage	12VAC																											
Frequency																												
Operating Temperature	-30°C to +75°C																											
Storage Temperature	-40°C to +100°C																											
Operating Humidity	40%to70%																											
IP Class	n/a																											
Ventilation	Open air																											
Weight	2.8G																											
Size	25*39mm															Color	Beam Angle	Forward Lumen	Side Lumen	#of LEDS	#of chips per LED	LED Type	Kelvin	Wave Length	Unit Amps	LED Watts	Unit Watts	CRI
Package Type	Bag,Card Package															W	120 Degree	80LM		6smd	3	5050	6000-6500K		n/a	0.2		n/a
Number/Carton	n/a	DW																										
Carton Size	54*28.5*25.5mm	WW																										
Certificates		R																										
Lense Type	no lens	G																										
Body Type	n/a	B																										
Work Environment		Y																										
Luminous Efficacy	4000-6000MCD	UV																										
Lumen Maintenance	80LM	RGB																										
LED Life	30000 Hours	<p>LEDLight.com,LLC sales@ledlight.com Toll Free 1(877)283-5060 Local 1(602)997-0366 Fax 1(602)861-4088</p>																										
Warranty	See website for more information
